THE EXPERIENCE

A Sunreef 70 sailing catamaran, **for charter in the Caribbean.**

Āura is a 23.50-metre sailing catamaran built by Sunreef Yachts. Her main saloon is surrounded by panoramic windows and opens onto the aft cockpit and its dining table. The flybridge brings together the helm station and a lounge beneath a hardtop fitted with solar panels. Forward, a lounge shaded by a sail looks out over the trampolines. Her shallow draught gives access to anchorages that larger yachts cannot reach. A swim platform lowered to the waterline leads to the Williams 505 Jet tender and the water toys.

AT SEA

The 2 hulls provide a stable platform under sail and at anchor. The flybridge helm station faces the open sea beneath a hardtop with solar panels. Short passages between the islands allow a different anchorage every day.

ON BOARD

The main saloon opens onto the aft cockpit table, shaded by the flybridge. The flybridge and the foredeck each offer an outdoor lounge. Bed linen is embroidered Āura. A professional crew is on board.

EVENINGS

An open-air cinema is fitted on board. Dinner is served alfresco at sunset. The Williams 505 Jet tender takes guests ashore.
