- **Up to 11 guests** in 5 cabins, 10 crew.
- **All-aluminium construction**, carbon Marten spars.
- **8,000 nm range** and an enviable charter record.

OVERVIEW

Drumbeat is a large aluminium bluewater ketch, designed by Dubois Naval Architects and built by Alloy Yachts in New Zealand. 53 metres, 2 carbon Marten masts in a Panamax rig, a saloon open to the horizon and generous exterior decks. 11 guests in 5 cabins, 10 crew. Followed by the same owner since 2007, the subject of regular refits (2009, 2016, 2019, 2022, 2026) and a Lloyd's 20-year class survey completed in 2022, she is presented in remarkable condition, ready to take to the sea and to charter alike.
