THE EXPERIENCE

She is called Pause.
Take it as an **invitation.**

A 2023 SL90 Asymmetric: with the side deck routed up onto the coachroof, the saloon gains full-height windows and the sea all but comes aboard. 8 guests in 4 cabins, a crew of 4, and zero-speed stabilisers for perfectly still anchorages. A real home away from home.

A WEEK ON BOARD

Time slows down. That was **the point.**

AT SEA

A top speed of 29 knots when it is time to head home, electric zero-speed stabilisers when it is time to stop: Pause picks her anchorage and holds it, perfectly still.

ON BOARD

4 cabins including a VIP, a crew of 4, and that singular saloon with full-height windows: even indoors, you are on the water.

IN THE WATER

The garage carries a 4-metre tender and the hydraulic platform lowers to the waterline: the sea is a step away, morning to night.
